PacifiCare SignatureValueSM (HMO) Dental

Featuring low-cost preventive care and a great choice of dentists

As a PacifiCare SignatureValue dental plan member, you have access to a large network of dentists. You may ask to be assigned to any dental Provider Group listed, unless it is closed to new membership. If your Provider Group of choice is closed to new members, please call Member Service for further assistance. PacifiCare Dental is proud to feature one of the **largest dental HMO networks in California**. That means you're sure to find a dentist close to work or home.

Quality standards you can count on

All of our dentists are prescreened to meet our quality standards and regularly audited to maintain them. And we reward those dentists who excel in service to our members.

How to select or change dentists

Simply enter the office's Provider Group number in the box provided on our Enrollment Application. To change provider offices, contact PacifiCare Dental Member Service prior to the 20th of the month, and the change will take effect the first of the following month. *(Any current dental treatments should be completed before a change in provider offices is made.)*

Should the provider office you select be unavailable, PacifiCare Dental will be happy to assign you to another provider office.

Some provider offices may have been added or deleted since this list was printed. If you want to find out if there are any new provider offices in your area, please phone our Member Service department at **1-800-228-3384** for the most current listing. Be sure to mention that you are a PacifiCare SignatureValue dental plan member. Or for the latest provider updates, visit our Web site at **www.pacificare-dental.com** and click on *Dentist Directory*.

And always remember to present your dental ID card to your dentist's office at the time of service.

Specialist referrals

When you need to visit a specialist, your assigned general dental Provider Group will complete a written referral tracking form and submit it to PacifiCare Dental. We will then refer you to a contracted specialist in your area.

Member Service

PacifiCare Dental Member Service is available between the hours of 7 a.m. and 6 p.m., Pacific Time, Monday through Friday at **1-800-22-TEETH (1-800-228-3384)**.
